Update from Forest Hills Park: Good Clean Fun

CONCERT 10/11:

Good Clean Fun hosted the Washington Conservatory of Music on 10/11 in the Park. The group played dance music and a good time was had by all. We are grateful for the support of ANC3F in sponsoring this event as well the jazz concert in September the park.

INVASIVES REMOVAL: November 8 from 10-noon

Good Clean Fun has partnered with DOEE to tackle invasives on the slope on the 3100 block of Brandywine St. This overgrown area is technically part of Forest Hills Park. Participation is limited to 15 adults, sign up here if you are interested:

CLEAN UPS

The Freedom Church has made a substantial donation to sponsor our 2026 cleanups in the park and playground. **Good Clean Fun** is grateful for their support! Dates TBD. We appreciate everyone who takes initiative to help between cleanups by picking up trash when you see it! You are setting a GREAT example for neighborhood kids (and adults!)

SPOOKTACULAR: October 26 from 10-noon

. . . is back on. Parents and kids of all ages are invited to dress in their favorite costumes and gather at the playground for spooky-inspired activities.

Update from DC Water: Albemarle and 32nd Street Manhole Project

The Soapstone project has reached a significant milestone with the successful installation of Shot

#10, the final segment of cured-in-place pipe (CIPP). This achievement marks an important step in strengthening the reliability of the sewer system. In addition, one of the bypass pumps has been removed, the crosswalk at Connecticut Avenue and Albemarle Street has reopened for pedestrian use, and all planned tree removals have been completed. Crews will also begin cleanup activities in and around the work zone at the area around the crosswalk.

Looking ahead, work will continue on the new manhole, beginning with the concrete base pour and moving into vertical construction. Site restoration and final landscaping will follow in the coming weeks as the project advances toward completion.

We appreciate the community's patience and support as we approach the final stages of this important infrastructure project.

Update from Councilmember Frumin's office
